SANTA'S HOUSE EXPRESS

Ireland's Premium Santa Train Experience

Santa's House Express is an experiential festive event, located in the luxurious 5 Star Palmerstown House Estate, Johnstown, Co Kildare. Established in 2014, the event has grown to attract over 40,000 visitors each year.

We really pride ourselves on providing a quality experience which is reflected in the repeat bookings by many guests and corporate groups year after year. The highest quality decor is sourced and we are constantly investing in new features to ensure the 'wow' factor is there each year.

The whole experience is created around a visit to the main man himself, Santa Claus in his Country Manor, but the experience includes so much more than that! Our mission is to surprise and delight, and our hands-on team strive to provide a truly magical & memorable day out to each guest, of all ages.

Location wise, we are 2 minutes from the Naas Ball, 15 minutes from the Newlands Cross / M50 Red Cow Junction and 45 minutes from Dublin City Centre.
